

## Colour our logo!

Help celebrate Severn's 30th birthday by getting creative and bringing our logo to life! The panels represent Severn's history, our connection to water, and our appreciation for nature and rural landscapes. Drop your completed sheet at the Coldwater Community Centre (11 Michael Anne Drive), Washago Community Centre (4361 Hamilton Street), or our Administration Office (1024 Hurlwood Lane) in July and August and we'll hang your art in our windows to add colour to our community!
