

# Township of Severn

## Cycling Map

The Township of Severn is a great place to cycle, for both beginners looking to try out the sport on rural country roads and advanced riders looking to challenge themselves on long climbs and far distances. This map can be a guide for both local residents looking to navigate around the township using active transportation and tourists looking to explore quaint villages in Lake Country. Whatever the experience level or reason for travel, cycling is a great way to get exercise outdoors which leads to a healthy lifestyle.

### Carlyon Loop

**Start:** Municipal Parking lot Division and Carlyon  
**Riding Level:** Easy  
**Length:** Approx. 25KM Loop

Begin at the municipal lot where the Trans Canada trail crosses Division Road. Follow Division east towards Hampshire Mills Line. Opt to cross Highway 11 into Westshore and cycle down residential streets that run parallel to the shoreline of Lake Couchiching. Follow the route through rural agricultural land back to the start to complete the loop.

### Coldwater Course

**Start:** ODAS Park/Fairgrounds  
**Riding Level:** Moderate  
**Length:** Approx. 50KM Loop

Begin on Fairgrounds Road and head South towards Highway 12. Ride beside Bass Lake and enjoy the view of the water before passing through Marchmont on route to Coldwater. Stop for a bite to eat in Coldwater or learn about Coldwater's History at the Heritage Museum or Historic Mill before setting out to return to the Fairgrounds.

### Gloucester Pool Circle

**Start:** Severn Falls  
**Riding Level:** Moderate/Advanced  
**Length:** Approx. 60 KMLoop

This route takes the rider entirely around Gloucester Pool. Follow Upper Big Chute Road /County Road 17, North into Muskoka as it winds its way around rocky landscape and multiple lakes. Upper Big Chute Road eventually turns into Whites Falls Road which then turns into Honey Harbor Road before crossing Highway 400 into Port Severn. Make a Pit Stop in Port Severn and check out the Marine Railroad at Lock 42. Follow Saint Amant Road out of Port Severn to return to Severn Falls via Upper Big Chute Road.

### Cambrian Corridor

**Start:** Either end of Severn Township  
**Riding Level:** Advanced  
**Length:** Approx. 50 KM

Why not plan a weekend ride through Severn Township? The Cambrian Corridor is popular among cyclists traveling long distances. Severn Falls and Washago make for good rest stops before continuing along a longer route. The Cambrian Corridor has connections to Muskoka, Orillia and Ramara for continuing rides.

### Uthhoff Trail

**Start:** Either end of Severn Township  
**Riding Level:** Easy  
**Length:** Part of Trans Canada Trail

If you are uncomfortable with the idea of road biking, or do not have the proper equipment, try the Uthhoff Trail. The trail is predominately gravel and connects Downtown Orillia to Coldwater, through towards Georgian Bay.

Severn Township offers resort lodging for cyclists passing through. Check out Ontario's Lake Country webpage [www.ontarioslakecountry.com](http://www.ontarioslakecountry.com) for more information on lodging and tourist attractions available in Severn Township.
